WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

A UNIVERSAL EXPRESSION OF LOVE

UNE EXPRESSION UNIVERSELLE DE L'AMOUR

UNA EXPRESIÓN UNIVERSAL DE AMOR

🌹 Millennia ago, Aphrodite, the ancient Greek goddess of love, was said to be so beautiful that roses would rise to greet her wherever she appeared. Ever since then, red roses have been shared as symbols of love. With their beauty, delicate scent and lush, velvety petals, a gift of roses always makes your loved one feel special and cherished on a romantic first date, Valentine's Day, anniversaries, birthdays and memorable milestones and moments we share.

🌹 Il y a des millénaires, Aphrodite, la déesse grecque de l'amour, était considérée comme étant si belle que des roses poussaient pour la saluer partout sur son passage. Depuis lors, les roses rouges ont été partagées comme symboles de l'amour. De par leur beauté, leur parfum délicat et leurs pétales luxuriants et veloutés, les roses sont toujours le cadeau par excellence pour un premier rendez-vous romantique, la Saint-Valentin, les anniversaires et les moments mémorables que nous partageons.

🌹 Hace milenios, se decía que Afrodita, la antigua diosa griega del amor, era tan bella que las rosas se levantaban para saludarla en todos los lugares a donde fuera. Desde entonces, regalar rosas rojas es considerado como un símbolo de amor. Con su belleza, delicado aroma y exuberantes pétalos aterciopelados, un regalo que incluya rosas siempre hará sentir apreciada a una persona especial en una primera cita romántica, el Día de San Valentín, aniversarios, cumpleaños y acontecimientos importantes, así como en momentos compartidos dignos de recordarse.

Protective sepals caress the delicate rosebud in its early stages.
As the bud opens, the sepals release their protective grasp.

Des sépales protecteurs caressent le délicat bouton de rose
dans ses premiers stades. Lorsque le bourgeon s'ouvre,
les sépales relâchent leur emprise protectrice.

En sus primeras etapas de crecimiento, los sépalos protectores
acarician el delicado capullo de la rosa. Cuando el capullo se abre,
los sépalos liberan su protectora sujeción.

No one knows the exact origin of the abstracted symbol for a heart, but it has appeared on Greek vessels as early as 400 BCE.

Personne ne connaît l'origine exacte du symbole abstrait du cœur, mais il apparaît sur des récipients grecs datant de l'an 400 avant notre ère.

Nadie conoce el origen exacto del símbolo abstraído de un corazón, pero ya aparecía en vasijas griegas en el año 400 a. C.
